Dear Mr. Forman:

We are researching our Oldham family history. We received your name and address from Broderlund Software as Submitter #1851 to their World Family Tree Project. We were interested in your information on the family line of Elias Oldham, b 1779, in South Carolina.

Several of the children of Richard Oldham moved from Caswell North Carolina to 96th District, Pendleton, South Carolina in the late 1700's and early 1800's. One of his son's, George, remained in South Carolina.

It seems many people have researched the early lines up to North Carolina, but after that the research available is for the family members who moved on to Tennessee and Kentucky.

Would you possibly be able to provide me more information on your line, as to documentation or sources of your research? We will gladly share any information we have with you. Just let me know what you need.

Sincerely

Jan Oldham
